

Riverside Golf Club

18-Hole Golf Course

Open to the Public

9-Hole, Par 3 Golf Course

Riverside Golf Club is currently **OPEN**, subject to further notice. We understand that people, during these unprecedented times, may find a need for sunlight, fresh air & exercise in an environment that still allows for the required social distancing. We are happy to provide golfers that opportunity.

Things we are doing to ensure the safety of our golfers and staff include, but are not limited to:

- Our Clubhouse will be closed except for a limited number of staff until further notice, take out from our snack bar is still available.
- Disinfecting spray down of carts before and after each use.
- Multiple cleaning practices will be taking place for our lower level open air bathrooms, door handles, and other public surfaces.
- Staff hygiene policies have been increased to ensure regular hand washing and sanitizing.
- All bunker rakes and ball washers have been removed to eliminate a contact point, please rake with your foot if possible.
- Sanitary gloves will be utilized where appropriate.
- All hole cups are raised, making good every putt that hits the cup deemed holed out. **DO NOT TOUCH THE FLAG POLES, LEAVE THEM IN PLACE.**
- We will be limiting the number of people on our putting green to maintain the appropriate social distancing.
- We have increased our tee time separation to facilitate social distancing.
- All rental club sales will be suspended.
- Score cards and pencils will be provided upon request.
- Continuously monitoring the recommendation of all government agencies.

Additional recommendations include:

- Social Distancing **MUST BE** practiced throughout our facility. (CDC recommends at least 6 feet).
- We will have bottled water for purchase. No personal cups will be filled in the clubhouse.
- Please arrive directly in advance of your tee time. This will help with social distancing.
- Please maintain social distancing while waiting for your tee time to be called.
- Golf carts will be allowed, both bags can be on the cart, only one person allowed in a cart at a time, unless the other player lives in the same household. The other player may walk or have the option of their own golf cart.
- Golfers who have experienced flu-like symptoms of any kind are requested to refrain from visiting.

Food Service:

In keeping with St. Louis County's mandate, our Clubhouse snack bar is closed, but we are offering food and beverage, which are available for take out, so you can take it with you on the course.

1210 Larkin-Williams Road – Fenton, MO 63026

Operated by: Riverside Recreations Inc.

Open to the Public

9-Hole, Par 3 Golf Course

Payment Methods, through outside check-in:

1. Payment with credit card at our front door. We will run your credit card and return it to you. There is no entering the Clubhouse. **Please have ONE member of your group pay for all members to limit exposure to our employees**
2. Prepay for your round with a credit card by calling the Clubhouse.
3. Cash will be placed in a cash bin at our front door when paying.

We are committed to a safe and welcoming environment for our patrons and staff. We look forward to your continued support as we all work through this time. Please call the pro shop or visit us at www.golfriverside.net to book your tee time today.
